This information is provided as guidance only. While we have tried to ensure that the information is accurate and complete, IATA cannot be held responsible for any inaccuracy or omission. We strongly recommend you make your own inquiries.

Entry requirements

Before planning your travel to and from Vancouver, we recommend that you visit the [IATA Travel Centre](#). This simple, free, online check determines the necessary documents that travelers are required to provide to travel (passports, visas, additional travel forms, health documents).

We also highly encourage you to check Government of Canada's [website](#) for information on entering or leaving Canada and the requirements of countries and airports that you may transit through to reach Canada.

Visas

To avoid disappointment, we kindly advise you to apply for visas as soon as possible.

Processing times can be lengthy, and applications may take longer than expected to finalize. Please contact your local visa application center for more information.

Letters in support of visa applications

Official letters in support of your visa application can be requested through the IATA Slot Conference online registration site.

Kindly note that IATA and the registration team are unable to intervene in individual visa applications.

Please contact the registration team ISC@iata.org if you need further information.
