# Opening Remarks

Stuart Fox  
Director Flight and Technical Operations – IATA

IATA

3<sup>rd</sup> MRO SMARTHUB FORUM

OCTOBER 22, 2024

# Aviation Supply Chain

- Industry commitment to use (and develop as needed) technical records standards as aircraft and parts are transferred
- Consolidate demand and have transparency and visibility in the industry parts inventory (stock levels) and supply chain
- Develop more parts' repair capabilities and reduce the repair backlog

# Aircraft Operational Data

- Consent
- Transparency
- Sharing
- Accessibility
- Responsible Use
